How to help New Zealand’s
BUTTERFLIES
and moths, Unitec Mt Albert Campus, Auckland
CONFERENCE

Saturday & Sunday, 16-17 March 2013
Practical ideas for practical people
www.nzbutterflies.org.nz

Earlybird Registration Fee (before 31 January): $120 per person
Registration (February): $140 per person
Late Registrations (if space allows): $160 per person

Speakers include:
Geoff Davidson (Oratia Native Plant Nursery) on native habitat
Robert Hoare (Landcare Research) on moths
Associate Professor David James (Washington State University) on butterflies in vineyards
Brian Patrick on New Zealand’s indigenous Lepidoptera
Professor Myron Zalucki (University of Queensland) on Monarch habitat

The Organisers reserve the right to change the speakers, programme content and event venue should circumstances so require - we will keep you informed

By the end of this two-day spectacular you will be equipped with the tools to create an amazing habitat for NZ’s butterflies and moths.
